

### **Exercise 3.10.1**

Open the solution for exercise 3.6.1 and save as: (First\_name\_Last\_name\_3-10-1.c). Modify the code following the instructions below:

- Replace the (if, else if, else) statements with a one switch statement
- everything else stays the same

- Please save and submit your source code (.c file) solution.
- Solution file naming convention:
  - First\_name\_Last\_name\_exercise\_number.c
  - Please use ( - ) to indicate the exercise number
  - Example: Haidar\_Alaubiydy-3-10-1.c
